Photo activity

Look at the photos of immigrant groups and communities. Choose two photos.

Use these questions to understand your first photo.

1. What do you see in the photo? Describe the people or place.

2. What do you see people doing in the photo? Describe the actions.

3. Where do you think these people might be from? How can you tell?

4. What questions do you have about the picture?

Be ready to present your picture and ideas to the class!
