Did Maleeka do the right thing?

“Squealing on your friends ain’t even cool.” (p. 146)

These are John-John’s words to Maleeka. Maleeka doesn’t want to tell.

Some people believe it is always wrong to snitch, no matter what the circumstances.

Other people believe that telling is not “snitching.” It’s taking a stand for yourself, your friends, or your community.

And some people decide how they feel on a case-by-case basis.

What do you think? Was Maleeka right to tell?
