Practice summarizing with the passage below.

Jennifer Lawrence became a famous movie star by the time she was 20. People love the way she turns into each character she plays. They also love her drive and spunk.

At age 14, Jennifer begged her parents to let her become a real actor. They said no. She had to finish school. Not a problem! Jennifer quickly got her GED. She began to get work on TV shows. She knew this was right for her. In 2009, she spoke to the Louisville Courier-Journal about her budding career. She said, “Once I got the tiniest taste for this, I could never look back.”
