## Advice about Eric

Eric is Lonnie’s friend that doesn’t always act like a friend. In the poem “Tuesday,” (*Locomotion* pages 42-43) Lonnie writes about Eric at lunchtime one day:

His voice is hard. His eyes get real mean.

He calls me a punk and some other words I don’t

want to even write down.

I don’t know why he’s so evil some days

Write Lonnie a letter. Give him some advice about Eric. Be sure to explain how your suggestions would make things better!
