Skim this excerpt from page 44 of *War in Afghanistan and Iraq* for the main idea.

AFGHAN CONFLICT

Children are innocent victims in every war. In Iraq, many years of civil war, as well as the latest troubles, have affected their daily lives. A number of Iraqi children still live in refugee camps, and their families sometimes struggle to find food and work. Some refugee children have found new lives in countries away from Iraq.

Here's the big idea:
