Debate roles

You will work in teams. Each team will have the following roles:

The **facilitator** makes sure that everyone in the group helps prepare. The facilitator uses the facilitator checklist.

The **recorder** will keep notes using the recorder notes.

The **timekeeper** will keep time. The timekeeper has a stopwatch.

The **reporter** will present to the class. At least one other student should also plan to speak for your group.

Everyone in the group should help prepare the talking points. Remember that talking points support your position. You should state your evidence and why the evidence supports your position.
