

## Do Now #24

Name: \_\_\_\_\_

Date: \_\_\_\_\_

On page 11, Jerome tell us that, “Grandma worries the most. She has dreams. ‘Premonitions,’ she calls them. Worries about bad things happening. But I don’t know what, where, when, or why.”

Using the prefix *pre-* and context clues, define **premonition**.

---

What do you think Grandma had a premonition about?
