Writing about an important person

In *Locomotion*, Lonnie writes the poems “Memory” and “Mama” about memories of his mother.

Lonnie includes:

- Things they did together that felt special (telling jokes, hugging)
- Words his mother always said (“Honey, don’t you drop my baby”)
- Silly things his mother did (singing in the shower)
- Things his mother wore or carried (a red pocketbook with candy to share)

Jot down some notes for a piece of writing about an important person for you.

You should include things like Lonnie included: special things you do together, words the person likes to say, silly things, etc.
