

Name:

Word parts

All words are built from a base. The base can have different endings added. Or the base can have a prefix added at the beginning.

In the words below, circle the base: **play**

playful players playable replay playground

Work with a partner. See how many words you can build from just these base words and endings. You may want to use a dictionary to check your work.

Base words: act pay

Word parts to add:
