

Name:

Word parts

All words are built from a base like **act**.

The base can have different endings added:

actor

action

acting

Or the base can have a prefix added at the beginning:

react

In the words below, **circle** the base: **friend**

friendship

boyfriend

unfriendly

friendless

Now work with a partner. See how many words you can build from just these base words and endings. You may want to use a dictionary to check your work.

Base words: pay enjoy
