Get a job?

You've read three articles about kids' first jobs. Think about Alex with his yard work job and babysitting. Think about Noe helping out with construction work. Think about Jade and Hannah working in the cornfields.

Do you work for money? What kind of work do you do?

If you don't have a job, would you like to work? What kind of job would you like to do?

Write about:

- The kinds of jobs you do or would like to do
- Things you like about working
- Things that might be hard about working
