

Connecting your experiences to The Big Nothing

In pages 26-29 of *The Big Nothing*, Justin Riggs tries to cheer up his mother.

Think about a time you tried to cheer someone up. What did you do to make the person feel better? Did your actions make a difference? How was your experience like or unlike Justin's?

Write a paragraph describing what you did to cheer someone up and why you did it.

Compare your experience to Justin's.
