What words can you make from the word parts below?

fr-	-ight	_____
h-	-ightmare	_____

Vowel teams are another way to spell long vowel sounds. Vowel teams include the letter combos:

ai ay ea ee oa ue

In vowel teams, the first vowel is long and the second vowel is silent:

Rocky Rōad

The sentences below came from pages 88-89 of *The Big Nothing*. Justin and his mom are eating popcorn and watching TV. President Bush is telling about the start of the Iraq War. Underline the vowel team words.

“Hot steam hits my face.”

“Mom squeezes the edge of the sofa with buttery hands.”

“Saddam has anthrax by the truckload; something called botulin toxin, too, enough to kill millions.”

“Your training has prepared you.”
