

Name:

In War Time

In a war, what happens for soldiers?
What do they see, hear, and do? How
do they feel?

What happens for civilians who live in the war zone?
What do they see, hear, and do? How do they feel?

What happens for soldiers' friends and families at home? What do
they see, hear, and do? How do they feel?

In War Time

Soldiers	Civilians	People at home
