

Name:

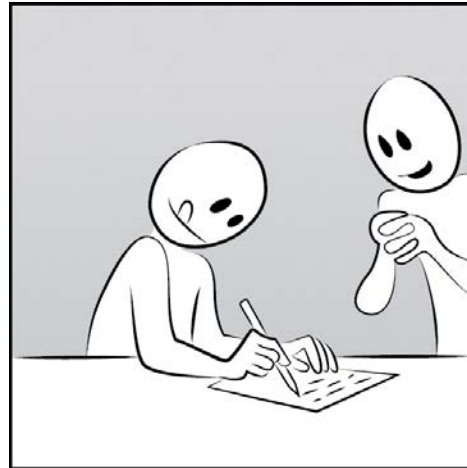

Preparing for the debate

Will Justin and Jemmie become a couple, or stay “just friends”?

You will work in small groups. Each group will have four roles.

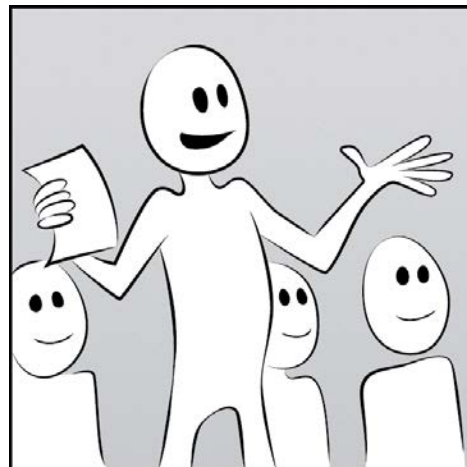

The **facilitator** makes sure that everyone in the group helps prepare. The facilitator uses a facilitator checklist.

The **recorder** will write down each student's position using the recorder notes.

The **timekeeper** will keep time. The timekeeper has a stopwatch.

The **reporter** will present to the class using the information the recorder wrote down. If there's only one reporter, at least one other student should also speak to present reasons for the position.
